

# Burrowbridge Parish Council

Dear All

The Burrowbridge Parish Council have recently purchased The Coach House at Burrowbridge.

The Parish Council's aim is to restore the building into its original state and to use it as a central point within Burrowbridge as an un-manned information centre.

The Parish at Burrowbridge unfortunately is not large and we do not have the financial reserves to fund this project.

Therefore, we are asking for donations from you the Parishioners to purchase building materials.

We would also welcome donations of building materials and/or volunteers who can provide their building experience, or, to offer a hand to help tidying up etc.

For further information, please come along to a Parish Council meeting, they are held on the first Tuesday of every month. Alternatively, you can contact Debbie House, Parish Clerk whose details are at the bottom of this letter.

This is a great opportunity to create good will within the community.

Yours sincerely

Steve Kirk  
Chairman, Burrowbridge, Parish Council
