Men's Shed

So what is the Shed about?

The Shed: Its a place for men (mostly) with time on their hands. It has facilities to pursue hobbies, practical interests, share skills, learn new ones, help in community-inspired projects, develop new ideas and make new friends. Provided you are 18+, you can join.

We have members who are out of work, carers needing time out, those with long term medical conditions, and many who have retired. They come from all walks of life. Above all, the Shed is a place to have fun, chat, drink tea and enjoy good company.

Present activities include woodworking, craft making, painting and wood turning. However it's the members who decide what goes on in the Shed.

SLaMS has about 40 active members and a number of other supporters - Tudor Trust, Somerset Community Foundation, Sedgemoor DC, County Councillors, Compass Disability Services, Village Agents, and GPs. We are also affiliated to the UK Men's Shed Association.

The Shed is an independent charity and broadly operates on a cooperative basis. All members have an equal say; there are no paid staff and members run it on a day-to-day basis through a Management Committee whose responsibility it is to guide the Shed on what it does, raise money for its operation and above all see that it stays inclusive, safe and viable.

Currently the Shed is open Tues, Thurs & Fri, 10:00 - 15:00.
We may be open on more days in due course.

We are located in a quiet and pleasant lane off Old Taunton Road, adjacent the Taunton/Bridgwater canal and very close to public transport routes, convenience shops and parking.

So if you haven't already done so, come and join us. There's a hot mug of tea or coffee and new friends waiting for you!
